My dear Sri Ramaswami
Mudaliar

For a variety of reasons
I have not been able to write
to you at length since I
left Geneva. I know
how busy you were with
the Inter-governmental Cultural

that I do like to do some
work, for an honorary post to
keep myself interested in the world
I sincerely hope the F.A.O.
offer will mature into something
worthwhile

(2). I have determined to make
an attempt to interpret our
culture - I have panned on the
mis- Dattatreya - I have
spoken the Ramayana and I am

I have given you the title of my S. African book. I have also finished one on 'Native Protection — its means & problems — with special reference to Food'. If I can get my publishers to give me a month I should take it & see if we can't have finished this work — but this is a mere question —

I have three matters which be heavily on my heart & mind. I have been wanting to unburden myself to some kind Bird somehow unsuccessfully

I do so now.

(1) I have found it-bound it is becoming increasingly so — to be happily over being with it & with some sort to keep me occupied. I have told you

(3). I am becoming increasingly embarrassed by the ministry in regard to vacancy - matter - Especially - the Secretaryship no longer what they were or are supposed to be - They have become tools of the ministry - All secretaryships changed when going by Davies Luck - because Pallegar is dead Luck because he is a great Athenian Scholar J. H. Luddington

& Command etc will be entirely under the Mayor - who can be elected as Secretary - - - waiting - [redacted] In which case automatically the P.S & A.S will become Mayor's & will no longer be in such a position as they present Incumbents are, to both Mayor.

Besides - I can never serve both offices who came to P.S & H.S. and about them both by —

I am sorry to hear of your - But I don't know to settle all the before I go to Imperial Studies April - as well as these Secretarial changes - The Ministry have promised the post P.S & H.S. higher [illegible] & DC and keep the Leaders, [illegible]

P.S. of H.S. can. C. Hirs pay $6
keep them here — though
have big loss I do so —
Perhaps then am each staff
